Say each word using your good “R” sounds. On this sheet, each word listed has more than one R in it, be carefully to make both correctly – this may be difficult at first! Each time you say the word correctly, give yourself a plus “+” or a checkmark in the box, don’t move onto the next word until the first word is said correctly 25 times.

Once you say each word 25 times correctly and the entire table is filled, say each word in sentences or make a large story using each word one time. A space for a picture is provided below to help you visualize your story.
