Accessing graded assignments in Blackboard.

Username: (same as NA computer login username)

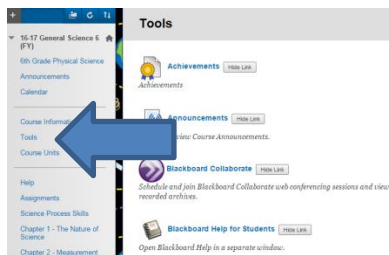

Password: (same as NA computer password)

Sixth grade students are encouraged to review any test or quiz that they have taken on Blackboard.

- Any student who receives below a 70% is encouraged to take advantage of a retake.

Directions for accessing graded assignments in Blackboard:

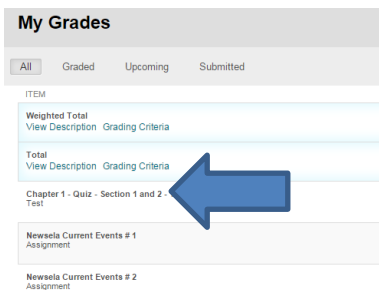

1. Access the **tools** section of Blackboard, from the left hand column.

2. Access **My Grades** from the tools section.

3. Find the **assignment** from the list on the screen.

4. Click on **your score** for the assignment and it will open an electronic copy of the questions and your answers.
