I read the book *Don't Let the Pigeon Drive the Bus* by Mo Willems. This book is a "my choice" picture book. Here's what happens in the story. The pigeon really wants to drive the bus, but no one will let him. He keeps asking and trying, but he is always told no. In the end, he wants to drive a truck instead. I would give this book a 4 star rating because it's funny, and I enjoyed reading it!
