For Parents:

- TAG (Traveling Art Gallery) is a visual literacy and art appreciation program, where volunteers present a preselected work of art to a K-5 classroom.

- Each grade-level has 6 assigned prints – 3 prints are presented to each homeroom class each year.

- [VTS (Visual Thinking Strategies)](#) is a technique presenters can use to engage students in discussions centered around visual literacy.

- .

- Interested in helping… consider volunteering as a TAG presenter next year? More information will be shared at the beginning of the school year.

Nothing to turn in this week. Hope you had <u>fun</u> looking and talking about art this week.

Can you believe it's MAY on Friday?! …and that it's been 6 weeks already since we were together at MES making art?!

I want you to know you're doing a GREAT job and I miss you!

If you'd <u>LIKE</u> to create your own artwork this week…

Be creative and have fun! Make your own drawing or painting inspired by the TAG artwork.

Use materials you have around your house like – paper, crayons, markers, oil pastels, paint or scissors and glue.

If you make something – I'd love to see it. You can always share art you've created via Seesaw or email.
