Student Conduct Procedures

The 6th grade teachers would like to emphasize the following school rules:

- Personal electronic devices from home should be turned off and stored away when on school property (Student Handbook p. 40)
- School issued iPads are a “personal learning device” to be used for academic purposes only (Focus 2020 Policies on District website)
- Students are responsible for making up missed work due to absences. They must ask the teacher where they can find information on missed assignments (Student Handbook p. 14)
- Educational trips must receive approval from a building administrator at least five days before departing (Student Handbook p. 15)
- Students should adhere to the dress code (Student Handbook p. 46)

Tyler 360 - Gradebook

- Missing work is labeled as “M”

 - Assignment is not necessarily missing

We encourage parents to regularly check the online grade book for the monitoring of your child’s progress.

Blackboard

- Blackboard will be used for assignments, tests/quizzes, study materials, etc. at the discretion of the classroom teacher
- The Blackboard calendar will be a reference for homework assignments in all classes
