You're inivited to join the

IES Birthday Book Club!

What is the Birthday Book Club? An opportunity to honor your student, celebrate important occasions - birthdays, teacher retirements, etc. - and give the gift of reading to IES students!

Why is it through Amazon Smile? You get more book choices, more price options and you earn money for the IES PTO by shopping through Amazon Smile!

How do I participate?

1. Access the Amazon Wish List through this link: IES Birthday Book Club
2. Sign in with your Amazon Smile account*
3. Help your child select a book from the list
4. Order the book:
   - Select: "This is a Gift"
   - Ship to: "Gift Registry Address" (to ship the book directly to IES)
   - **At "Gift Message" prompt, please add your student's name and homeroom**

What happens next?

1. When the book arrives at IES, it will be processed as a library book and a blank Birthday Book Club sticker will be affixed to the inside of the front cover.

2. Your child will be presented with the book in class, photographed with his/her book, and the photo will be added to the Birthday Book Club webpage! Your child will be the first to borrow and read this new library book!

3. When the book comes home, **write your child a personal message on the blank bookplate before returning it to the library!**

Your gift is truly appreciated and will be a valuable contribution to the library collection for years to come. Thank you so much!

Sincerely,

Mrs. Smokovich
IES Librarian
