

Snow Day

SUN	MON	TUE	WED	THU	FRI	SAT

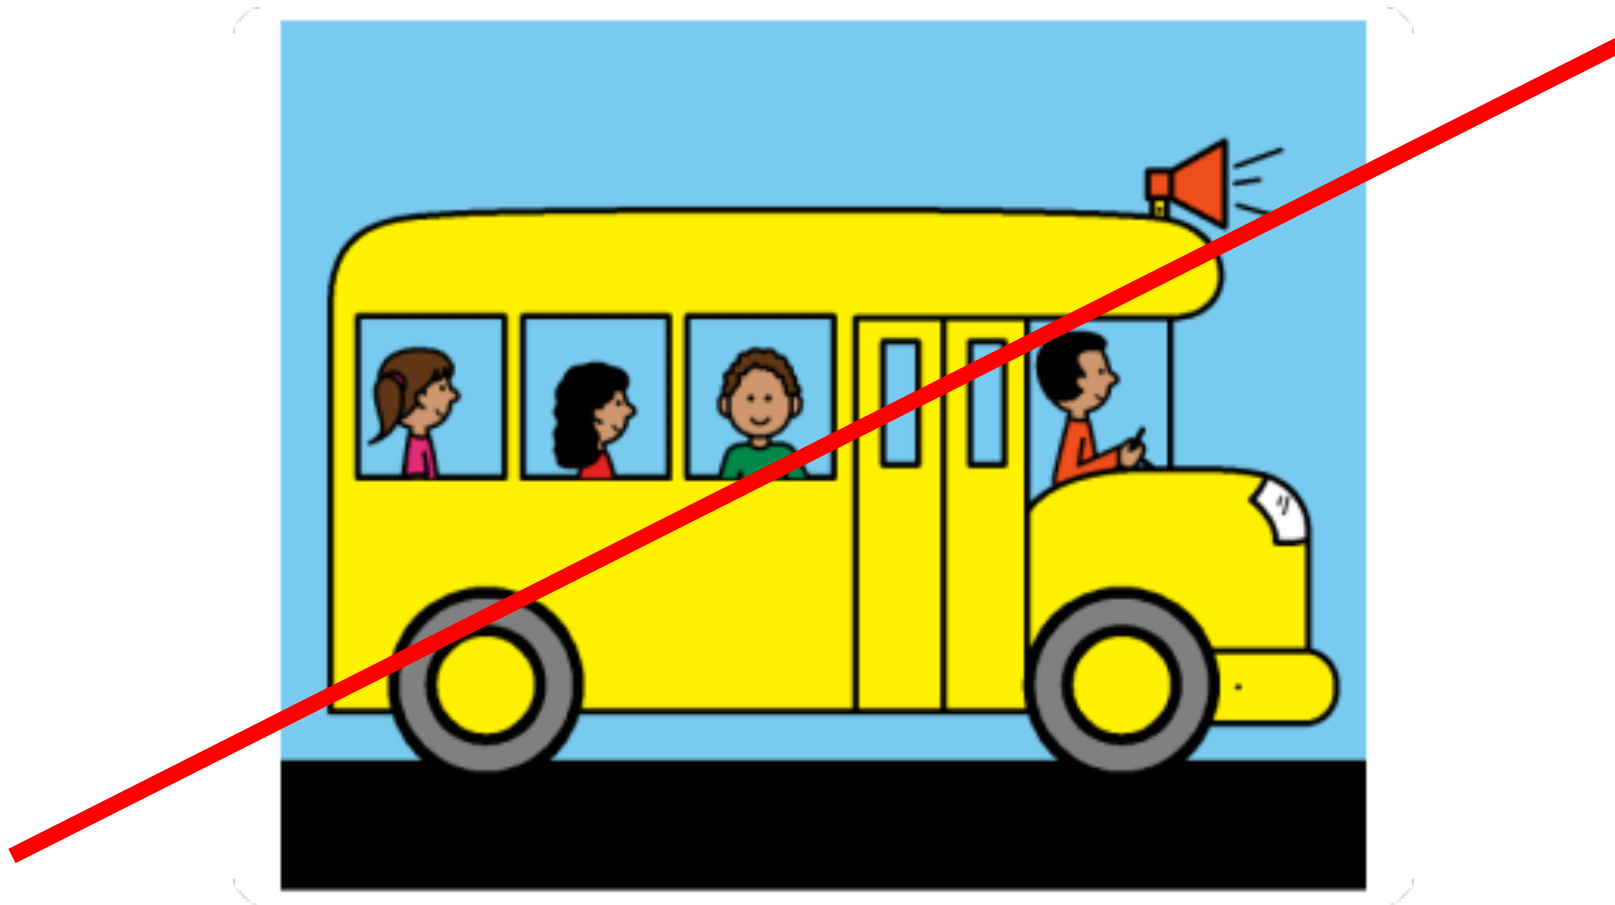

On weekdays, I go to school.

Sometimes, it snows a lot and school is closed.

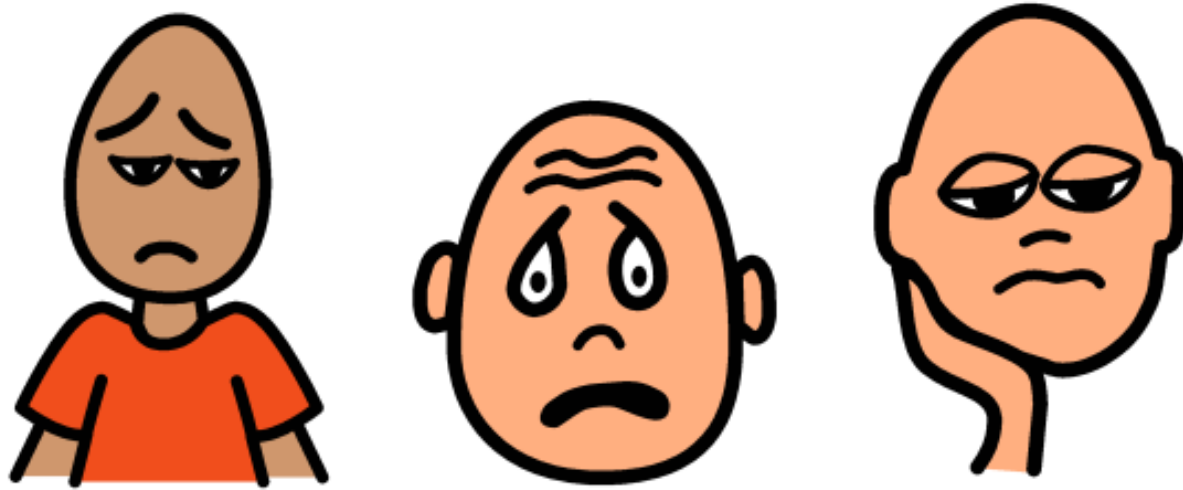

This is called a "snow day."

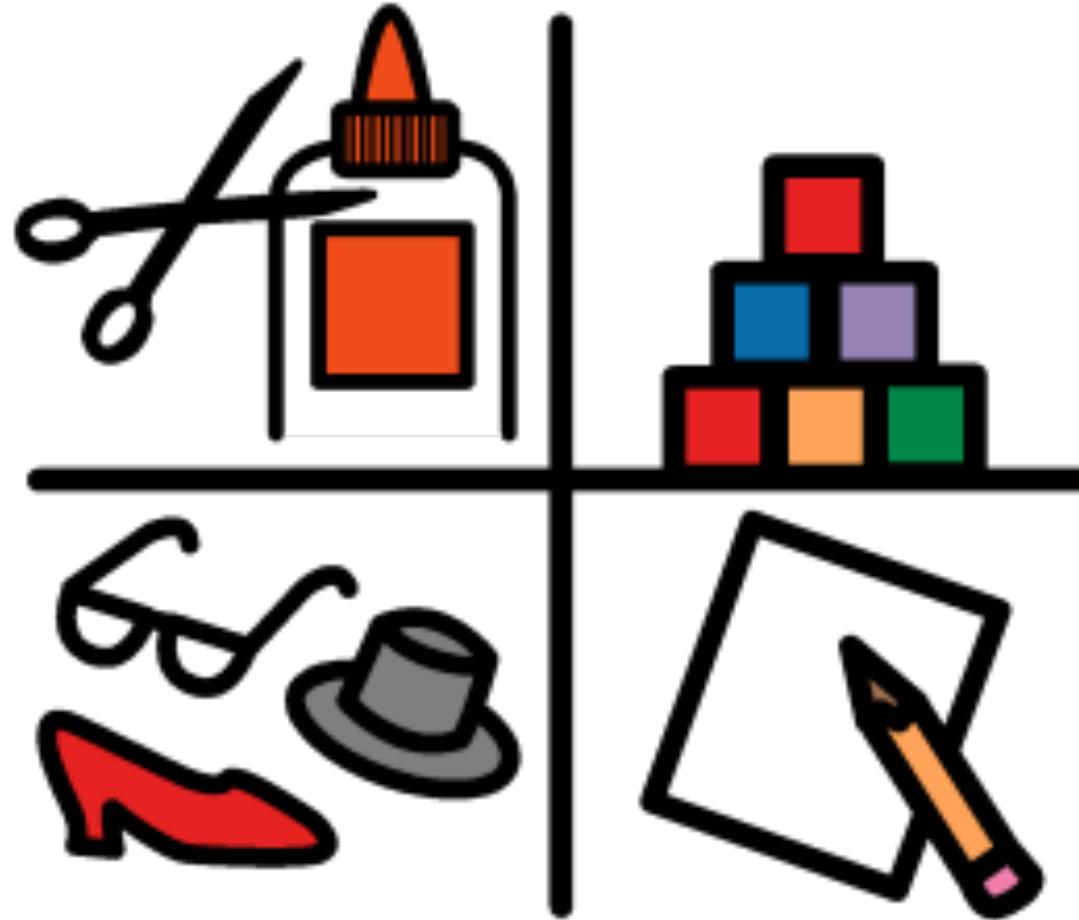

School is closed so that we stay safe
and do not travel to school.

On a snow day, I stay home and do not go to school.

I am used to going to school. When I stay home, my routine is different. I may feel sad, anxious, or bored. This is okay.

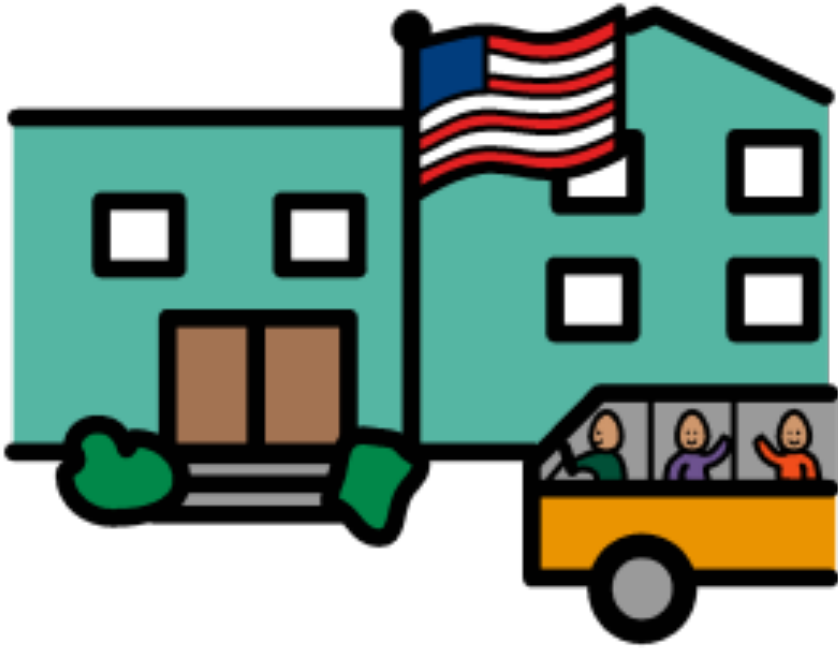

I can do many things on a snow day,
just like in school.

I can read books, play with toys, and even go outside to play in the snow!

I can make a snow angel, build a snowman, or have a snowball fight.

Once it stops snowing and it is safe,
school will open again!
