NORTH ALLEGHENY SCHOOL DISTRICT IS A 2018 TOP WORKPLACE

2018

Be The Difference

Endless Opportunities, Immeasurable Value

OUR MISSION: *To prepare all students for success in a changing world.*

Message from the Superintendent

Every day I realize how fortunate I am to lead the North Allegheny School District. I have worked in education for over 20 years, in a variety of school districts, and I have never been anywhere like NA.

We continually strive to create experiences for our students that help them grow academically, socially and emotionally, and consistently rank as one of the top school districts in the nation. Our adults are some of the best role models I have ever worked with in my career.

Regardless of your role in the District, everyone understands that everything we do is to help prepare students for success in a changing world. We are always looking for passionate and committed individuals who understand the power of education and want to impact the life trajectory of all students.

Please, join us and be a part of the NA family!

Sincerely,
Dr. Robert Scherrer
Superintendent of Schools
