

This Week in 3C with Mrs. Hinkson

Week 8: May 11-15 Remote Learning (Pause Day on Tuesday-no new assignments)

School Day Schedule

Even Calendar Days

ELA and Social Studies

Odd Calendar Days

Math and Science

**Note: All Science lessons are now for 3B only.
(3C should follow Social Studies lessons)*

Daily Optional Activities:

ABC Countdown to Summer!

- *Reflex- "Go green" by completing the green circle
- *Spell City- Review any previous spelling lesson
- *Epic- Read 1 book
- *Study Island- Using the game mode, practice any past skills for which you have achieved a blue ribbon (focus on any skills that were 70% or 80%)

3C Assignments This Week

Monday 5/11	Tuesday 5/12	Wednesday 5/13	Thursday 5/14	Friday 5/15
1. Math 2. Science	1. ELA 2. Soc. Studies 3. Library	1. Math 2. Science 3. Gym	1. ELA 2. Soc. Studies 3. Art	1. Math 2. Science 3. Music

See the next pages for specific assignments.

Note: The last few pages of this document provides a list of "Helpful Links" and "How to access" various websites, apps, and programs. Any usernames, passwords, or codes needed will be shared via email.

Monday 5/11

MATH

Resources: Go Math book

Lesson 10.8 Skill: I can estimate and measure mass in metric units using grams and kilograms.

Adapted Chapter 10 Test on Friday.

Directions:

1. Watch and follow along *in your math book* with this [video](#) to learn how to estimate and measure mass using the metric units of kilograms and grams. (12 minutes)
2. Follow along with these Study Island practice videos. Be sure you have a pencil and paper to solve the problems.

[6b Measuring Capacity and Mass](#)

[6c. Capacity and Mass Problems](#) (Oops!

Watch how the click on the correct answer jumps in the last problem! It baffled me!)

3. Try to earn blue ribbons in Study Island skills
 - 6b. Measuring Capacity and Mass
 - 6c. Capacity and Mass Problems

*If you don't earn blue ribbons, keep practicing today and tomorrow when you have time to prepare for the Chapter 10 test, which is on Friday.

OPTIONAL:

[Capacity Scoot Task Cards](#)

[Measurement Center Packet](#)

SCIENCE

(3A and 3B Students)

Resources: [Chapter 11 E-Book](#)
[Chapter 11 Packet](#)
[Google Classroom](#)

**Chapter 11: Changes in Matter
Lesson #2**

Skill: I can physically combine several kinds of matter to make mixtures or solutions.

Directions:

1. Read [Chapter 11 E-Book](#) pages 306-309 with an adult to learn how to physically combine matter to form mixtures and solutions.

2. Watch this short [video](#) to review Lesson #2 on mixtures and solutions.

3. Log into your 3B Science Google Classroom and complete the assignment titled "Monday, May 11- Chapter 11 Lesson #2." Please use your book and ask an adult for help. [This is assignment is graded.](#)

Optional:

[Video](#) with more information about mixtures and solutions

Specials

All special area lessons are now found in one central location using this [link](#).

Four lessons are due on Sunday.

**Art-Ms.
Atwood**

**P.E.-Mr.
Zaspel**

**Music-
Mrs. Reese**

**Library-
Ms. Falkner**

Tuesday

5/12

PAUSE DAY---NO NEW CLASSES

This is a day for students to catch up on any incomplete assignments.

Wednesday 5/13

MATH

Resources: **Book, Study Island**
Chapter 10 Review (Test Friday)

Directions:

1. Complete the Chapter 10 Review/Test on pages 617-622. Ask an adult to help you if some problems are tricky.
2. **Parents**-Please use this [answer key](#) to help with instruction and check your child's work.

OPTIONAL:

Study for Friday's Chapter 10 test by completing the practice sessions or game mode of the skills below. Use these links that were previously shared to review.

[6f Representing Data and 6g interpret graphs](#)

[6a Time](#)

[6b Measuring Capacity and Mass](#)

[6c. Capacity and Mass Problems](#)

(Oops! Watch how the click on the correct answer jumps in the last problem! It baffled Ms. L!)

OPTIONAL:

[Measurement Center Packet](#)

SCIENCE

(3A and 3B Students)

Resources: [Chapter 11 E-Book](#)
[Chapter 11 Packet](#)
[Google Classroom](#)

Chapter 11 Test –Wed., May 27

**Chapter 11: Changes in Matter
Lesson #3**

Skill: I know that when one kind of matter is changed into one or more different kinds of matter, it is a chemical change. I can identify examples of chemical changes in matter.

Directions:

1. Watch this [video](#) as an introduction to chemical changes.
2. Read [Chapter 11 E-Book](#) pages 310-313 with an adult.
3. Watch this [video](#) to review chemical changes.
3. Log into your 3B Science Google Classroom and complete the assignment titled "Wednesday, May 13- Chapter 11 Lesson #3." Please use your book and ask an adult for help. [This is assignment is graded.](#)

Specials

All special area lessons are now found in one central location using this [link](#).

Four lessons are due on Sunday.

**Art-Ms.
Atwood**

**P.E.-Mr.
Zaspel**

**Music-
Mrs. Reese**

**Library-
Ms. Falkner**

Thursday

5/14

ELA

Resources:

Skills:

Resources: Google Classroom

Skills:

I can form the past tense of irregular verbs using the helping verbs have, has, and had.

I can use clues from the story and my own experiences to make inferences and explain how the character changed throughout the story.

Directions:

1. Follow along with this [video lesson](#) to learn about irregular verbs.
2. Complete the google forms practice quiz titled, "Thursday, May 14: Irregular Verbs Quiz."
3. Watch this [video](#) to preview the story, "Silver Dollar Dreams." Pause the video after the introduction and read the story, "[Silver Dollar Dreams.](#)" Answer the THINK and PAUSE questions orally by looking back in the text to find clues that help you make inferences.
4. Resume this [video](#) to review your answers of the Think and Pause questions.
5. Complete "Silver Dollar Dreams" quiz in Google Classroom.

OPTIONAL:

*Complete this [graphic organizer](#) to help you explain how Alex changes throughout the story, "Silver Dollar Dreams."

*Write a journal entry from Alex's point of view to describe the day he finally broke the board. (Use text evidence in your description.)

Social Studies (3C only)

1. Log into Google Classroom
2. Click on the "3C Social Studies" class.
3. Then click on the assignment for **Tues., May 12.**

Please contact Mrs. Stein if you have questions regarding social studies.

astein@northallegheny.org

Click [here](#) to go to Mrs. Stein's website if needed.

Specials

All special area lessons are now found in one central location using this [link](#).

Four lessons are due on Sunday.

Art-Ms. Atwood

P.E.-Mr. Zaspel

Music-Mrs. Reese

Library-Ms. Falkner

Friday 5/15

MATH

Resources: Study Island

Chapter 10 Test Today

Directions:

1. Log into Study Island. Go to “My Assignments” and complete the **Chapter 10 Math Test**. (20 points)
2. Finish earning blue ribbons for the following Chapter 10 skills. You may ask a parent for help.

Study Island Skills:

- 6a. Time
- 6b. Measure Capacity and Mass
- 6c. Capacity and Mass Problems
- 6d. Measure Length
- 6f. Represent Data (line plot measurements)
- 6g. Interpret Graphs (line plot measurements)

***Check your Study Island blue ribbons with a parent. You should have blue ribbons in all skills EXCEPT:**

- 5A. 2Dimensional Shapes
- 5B. Shape Partitions
- 6H. Area
- 6I. Area by Tiling Multiplication
- 6J. Perimeter

OPTIONAL:

[Measurement Center Packet](#)

Directions:

SCIENCE

(3A and 3B Students)

Resources: [Chapter 11 E-Book](#)
[Chapter 11 Packet](#)
[Google Classroom](#)

Chapter 11 Test - Wed., May 27

Chapter 11: Changes in Matter Lesson: Review physical and chemical changes in matter and vocabulary from the chapter.

Directions:

1. Watch this Scholastic Study Jams [video](#) to review physical and chemical changes.

2. After watching the Study Jams video, take the self quiz following the video to practice identifying physical and chemical changes.

3. Review the vocabulary for Chapter 11 using the [quizlet](#).

4. Go to 3B Google Classroom and complete the assignment “Friday, May 15- Chapter 11 Vocabulary Review.”

Optional:

[Song for physical and chemical changes](#)

Make a chemical change by:

****Baking some dessert:**

bake a cake, cookies, or brownies

****Cooking some breakfast for your**

family like pancakes or eggs

(Remember to get an adult’s permission!)

Specials

All special area lessons are now found in one central location using this [link](#).

Four lessons are due on Sunday.

Art-Ms. Atwood

P.E.-Mr. Zaspel

Music-Mrs. Reese

Library-Ms. Falkner

Helpful How-To's

HOW TO use a QR Code

To use a QR code: Hover your phone or iPad camera over the code. The link will pop up at the top of your screen.

HOW TO find Nearpod

Nearpod is an app already downloaded on the students' iPad home screens. Look for the blue and white icon.

HOW TO find Google Classroom

Log into your student's TIGERID. Find Google Classroom on the Dashboard.

(RL) Check-In Dashboard

HOW TO submit attendance (the second link is a screenshot with screencasts)

<https://servicedesk.northallegHENY.org/support/solutions/articles/5000062559>

<https://drive.google.com/file/d/1JnjyQWfVPqGS9naFmt6clBJVssgOLc5/view?usp=sharing>

HOW TO access Storyworks Jr.

Refer to teacher's email for class code

HOW TO access BrainPOP Jr.

Refer to teacher's email for username and password

HOW TO access BrainPOP

Refer to teacher's email for username and password

HOW TO access Epic

Use the Epic app on your student's Ipad

HOW TO access Spell City

Scan QR code
(same code as in student
assignment book)

HOW TO access Personal Trainer for Go MATH

Log into your student's TIGERID. Find Think Central on the Dashboard. Click on "Things to Do" on the left hand side. Click on the assignment in blue under "Assignments." Click on the assignment in blue under "Resources." Follow the directions and the prompts for the Personal Math Trainer. Complete all of your work on scratch paper and enter your answers.

HOW TO access Reflex

Log into your student's TIGERID. Find Reflex on the Dashboard. Use student log in and "Go Green" each day of math. (This means to Complete the circle in green.)

Elementary On-line Resources There is an abundance of research resources on McKnight's library webpage. They can be accessed using this link <https://www.northallegheny.org/Page/13038>, the QR code shown below, or by tapping on the icon of the red basket on the students' iPads.
