I. Welcome and Introductions

Mrs. Friez began the meeting by reviewing the agenda and having everyone introduce themselves.

II. Redistricting Update

Mrs. Friez reviewed the Redistricting presentation explaining the continuation plans and the transition schedules. Questions were asked regarding the continuation plan and Mrs. Friez and Mr. Sechler responded.

III. Tyler Parent Portal

Mr. Platts reviewed the changes that are coming to the Tyler Parent Portal. On Monday, December 2, the system will be down for the update. The sign on and data will stay the same, but will be a new look and feel. Communications will be sent later in October or November.

IV. Vaping

Dr. Sciallo shared two documents about vaping and medical issues, which will be included on the Student Assistance Program website.

Vaping and Marijuana, by Rebecca Kishlock, Director of Tobacco Cessation and Education Programs.

Device and Substance Visual Dictionary

The Committee asked many questions and Dr. Sciallo and Mrs. Friez answered to the best of their knowledge.

V. Community Connections - The Future of Work

The next Community Connections is scheduled for October 16, from 7:00-8:30p.m. at Ingomar Middle School. Representatives from the Grable Foundation, Partners4Work, and A.W. Beattie Career Center will be presenting to talk about how the employment landscape in Pittsburgh can change in the next decade and how it will affect the way teachers teach and how students will learn.

Plans are also being planned for the April Community Connections.

Next Meeting - November 21, 2019, at 9:30 a.m.
