I. Welcome

Dr. O’Toole welcomed everyone to the meeting and the Executive Council introduced themselves to the group.

II. COVID Updates

Dr. Sciallo gave an explanation of the COVID Tracker and how the District handles quarantining and other aspects of the protocols and processes that are followed.

III. School Based Mental Health - Anna Meighan

- Ms. Anna Meighan, Lead Licensed School Based Therapist, heads the School Based Mental Health program through Glade Run Lutheran Services with the District. She explained the history and background of Glade Run Lutheran Services.
- The North Allegheny School District Services are currently in all middle schools, NAI, and NASH with the plan to grow and expand to all elementary schools.
- Ms. Meighan explained what School Based Mental Health is and described the resources available to any of our students.

IV. School Counseling - Bryan Kiggins

- Mr. Bryan Kiggins, Counseling, shared insights into what feelings/emotions/behaviors our students are expressing and ways that they are providing support for them.

V. Positive Behavior and Positive Behavior Intervention Supports - Matt Hreha, Stephanie Saikaly, and Kelly Oleary

The above members of the Positive Behavior Support team presented much information on their program and they shared that in January, the District will begin implementation of state supported Positive Behavior Intervention/Supports.

The meeting [presentation](#) can be found on the North Allegheny website.

The next scheduled virtual SPLC meeting will be January 21, 2021
