

Today's Checklist 6/1/20 (Monday)

This is the last week for the 2019 -2020 school year. We will be wrapping up lessons in all subjects, and assessing the last chapters that we've been working on. Don't hesitate to e-mail Mrs. McLaughlin, or Mrs. Rusek, if you need any help or guidance.

Today is another read aloud on Google Meet for the book "The One and Only Bob". It is optional for you to join and listen to the story. 4A and 4B will be combined for the rest of the book. Because of a meeting today, the time has been pushed back to **2:00**. The same "meeting" rules apply as we do for our Weekly Wednesday chats. Watch for the link to be posted on your Homeroom Google Account at 1:45.

Read Aloud at 2:00 (do not log on until 2:00)

Math: jmclaughlin@northallegheeny.org

Watch the video below for a lesson on "Problem Solving: Finding the Area"

https://www.youtube.com/watch?v=B9HJv_-JDew

Complete the Lesson 13.5 assignment that is posted in your "Things To Do" tab of Think Central.

4A ELA: drusek@northallegheeny.org

Take your "Because of Winn-Dixie" test on Google Classroom. You may use the novel to help you. I hope you loved the book as much as I did. If you get a chance to watch the movie, you will really like it.

Self check your Adverbs Lesson 3 Practice page on Google Classroom.

Take your Adverbs test on Google Classroom.

4B ELA: drusek@northallegheny.org

Watch the “Paul Bunyan” cartoon posted on Google Classroom. This is a Tall Tale which goes right along with your last story for the year.

After watching the cartoon, read “The Bunyans”. This is a humorous tale that I think you will all enjoy. This story can be found to read independently in your StoryTown book on pages 726-740. If you would like the story to be narrated to you, you can log on to think central on a laptop or desktop computer. It is Lesson 28. You cannot access the narrated story on your iPads. It will only work on a laptop or desktop computer.

Take your Adverbs test on Google Classroom.
