

Today's Checklist 6/3/20 (Wednesday)

Check your Google Classroom Account for any documents that you might need for each specified subject. Don't hesitate to e-mail Mrs. McLaughlin or Mrs. Rusek if you need any help or guidance.

Math: jmclaughlin@northalleggheny.org

Complete the Ch. 13 Test that is posted in your "Things To Do" tab of Think Central.

***Once you complete your test, you are officially done with Math for the year!**

Science: drusek@northalleggheny.org

Watch the Mystery Science Video "Why is gravity different on other planets?"

Listen to/read Chapter 18, Lesson 2 and 3 - pages 522-533.

Complete "Planet Research worksheet" with facts about the planets you read about. I will post answers Thursday.

***Today is the Weekly Wednesday Google Meet. Watch for the assignment in your Homeroom Google Classroom Account with the link. Don't join before the designated time. There will be a "Mystery Guest" joining us this week. Who might it be!?**

If you have any outstanding work to complete, you need to get it done as soon as possible. All assignments must be completed by Friday, June 5th!
