A close-up portrait of Ellen Ochoa, a woman with dark hair, smiling slightly. The image has a pixelated or low-resolution appearance. The text 'Ellen Ochoa' is overlaid at the top in a stylized font.

Ellen Ochoa,

Astronaut

A photograph of astronaut Buzz Aldrin on the moon. He is standing on the lunar surface, wearing a white spacesuit and saluting. In the background, the lunar module is visible, along with an American flag planted in the ground. The moon's surface is covered in grey dust and rocks, and the sky is black.

**You persevere when you keep trying
to do something without giving up.**

**Buzz Aldrin worked hard for many years
to be one of the first men on the moon. He
persevered**

**If you are sure everything will
work out, you have confidence.**

**When Buzz Aldrin was on the mission
to the moon, he felt calm
confidence**

**When you apply for a job,
you are asking for work.**

**Ellen wanted a job in the
space program, so she had to**

apply

A photograph of four children, two boys and two girls, all wearing safety goggles. They are gathered around a table, looking intently at a project they are working on. The project appears to be an electronics or science experiment involving a breadboard and various components. The children are dressed in casual clothing, and the background shows a typical classroom or workshop setting.

**Research involves getting
information about a question or topic.**

**When I look up information in a book,
or work in a group to find an answer,
I am doing**

research

**A talented person has
ability to do something very well.**

**If you can play an instrument
in space, you are**

talented

An invention is something completely new that someone has made.

Alexander Graham Bell made the first telephone. That was his

invention

**When you hinder someone, you
make it impossible for them to do something.**

**Neil Armstrong did not let the danger
of spaceflight**

hinder his plans

**You are disappointed if you are
unhappy about the way something turned out.**

**If your birthday party was cancelled,
you would be**

disappointed

An ambitious person is eager to reach a goal.

Ellen Ochoa worked very hard to become an astronaut. She was very

ambitious

**When you reach a goal,
you attain it.**

**Buzz Aldrin worked very hard to reach his
goal to walk on the moon.**

In 1969 he

attained it
